## Safeguarding updates

### Silver Line

On Radio 4's Desert Island Disc programme recently, Dame Esther Rantzen was Lauren Laverene's guest. Dame Esther set up Childline, but I didn't know that she had also set up Silver Line which is the only confidential, free helpline for older people across the UK that's open 24 hours a day, seven days a week. The specially-trained helpline team:

- Offer information, friendship and advice.
- Link callers to local groups and services.
- Offer regular friendship calls
- Protect and support older people who are suffering abuse and neglect

The Silver Line number is: 0800 4 70 80 90

### eSafety advice for parents ...

- Ensure you know what your children can access online
- Ensure children understand the importance of not giving personal information to anyone they do not know
- Tell your children no-one has the right to make them do anything they do not want to do
- Use parental controls to keep children safe

Among the most common signs to watch out for include children who:

- Become very secretive, especially about what they are doing online
- Are spending lots of time on the internet & social media
- Are switching screens on their device when approached
- Are withdrawn or angry after using the internet or sending text messages
- Have lots of new phone numbers or email addresses on their device

### Search Engines:

- [Swiggle](#) is a child-friendly search engine from the Online Safety experts at SWGfL. Swiggle can be used on computers in school and at home and is designed to make searching the internet for images or content more than hit and miss.
- [Kiddle](#) is an American 'child-friendly' search engine.

## Stockport SEN Info

As part of the Local Authority SEND inspection, parents gave feedback that they weren't aware of the local offer. As a consequence, the LA have asked for our help in promoting this information to families as it gives lots of information on the support that can be offered. Click [on this link](#) to access the 0 – 25 Local Offer Homepage.

## Cheadle Heath Voice

The second Cheadle Heath Voice took place on Thursday 21<sup>st</sup> March. I can't feed too much back to you as I left the meeting so that Georgina Burt from Children North East could talk to those present in confidence about their views about poverty, money and lots of other aspects of school life! I await the audit report so that I can feed back to you.

**Cheadle Heath Voice Meeting #3** is at 9am on Thursday 9<sup>th</sup> May at 9am where we will be discussing the behaviour policy and seeking parental views on developing this. Every parent is invited to be part of the Cheadle Heath Voice and you are welcome to attend any meeting. Pre-school children are welcome and we will provide refreshments and a warm, welcoming environment where everyone's opinion is valued.

## Urgent public health message

There is currently an outbreak of mumps in Cheadle Hulme and, as part of the Council's response, Dr Baxter and his team have produced a parental letter which they have requested is distributed to you. The letter follows:

*Dear Parent/ Guardian*

*The Health Protection Team within Public Health are writing to let you know about some concerns we have in Stockport regarding both measles and mumps. Throughout the country there are outbreaks of both diseases being seen with increasing frequency - this is really worrying given that both diseases have very unpleasant complications including meningitis and encephalitis (brain inflammation).*

*Outbreaks of these infections generally occur when insufficient numbers of children and adolescents are receiving the MMR vaccine. In Stockport there has been a fall in MMR vaccine uptake so similar outbreaks may occur in the near future.*

*What can you do to protect yourself or your child?*

*Check if your child(ren) have had two MMR vaccinations. These are usually given at 12 months of age and between 3 to 5 years of age. BOTH DOSES ARE NEEDED FOR ADEQUATE PROTECTION. Your Doctor should have a record of when they were given, or you could find this in your child(rens) RED book.*

*If your child(ren) have not had both doses of the MMR vaccination please contact your Doctors surgery and ask them to arrange for vaccination at the earliest opportunity .*

*Further information can be found at the links below, or please speak to your GP:*
